

## Greetings from the Mayor of Oxelösund

### Dear sailors!

On behalf of the city of Oxelösund I invite you to Oxelösund in August 2019. It is a great honour for our city to host the ORCi European Championship 2019. Through the organizing sailing club Oxelösunds Segelsällskap – OXSS (Oxelösunds Sailing Association) we have great experience in organizing sailing competitions and regattas.

The border of Oxelösund consist to 85 % by the Baltic sea, so we are a waterbased municipality. Oxelösund is known as the city of contrasts. We combine a beautiful Baltic sea coast and it's archipelago with our deep sea harbor in which ships constantly are loaded with top of the line high-performance steel from SSAB Oxelösund. We host two marinas from which visitors and citizens start their journeys out on the Baltic sea to enjoy Oxelösunds archipelago and nature.

I wish to welcome you to Oxelösund and I hope that you will find our city and the surrounding waters as an energetic, hospital and enjoyable place for sailing, activities and visits.

Oxelösund 2018-07-09

Catharina Fredriksson  
Mayor

# Welcome to Oxelösund

Winter is approaching, but before we know it spring will be here. And all of Oxelösund town will be preparing for the big summer event – the ORC European Championship on 11-17 August.

## The hub of east coast sailing

Oxelösund is a little gem on the east coast of Sweden, situated 100 km south of Stockholm. The spectacular waters, the outstanding beauty, and the proximity to a vast archipelago as well as open sea have attracted keen sailors to Oxelösund since the turn of the last century. Boats, racing, and the sea are natural parts of everyday life in our town and we are excited about the opportunity to show off our beautiful area during the coming championships.

## Go for the trophy – it's time to sign up

Arranged every other year, the ORC European Championships were held in Estonia in 2015 and Poland in 2017. From 11 to 17 August 2019, around 70 yachts and 700 of Europe's most skilled crewmen will conquer the Oxelösund waters in the quest for the European trophy.

Read more about the ORC European Championships and **sign up** here:

## Book accommodations

When we applied for arranging the ORC European Championships, we knew we had the right experience, prerequisites and qualifications for taking on such a big event. We have a large, spectator-friendly marina and racing area, well-equipped cranes and gear, and modern facilities. Having arranged several national and international championships and races, our whole town stands ready to service participants, media, sponsors, and other visitors from all over Europe.
